# Welcome to Christmas at Sandy Cove

Welcome to the Sandy Cove Hotel programme of festive celebrations. Running through until January our diary this year is bursting with all the usual trimmings... and you know, magic wonder, those feelings of excitement you haven't had since childhood.

You bring the company to our beautiful location, and, with a little entertainment, local seasonal produce transformed into mouth watering menus and of course our heart and soul, we bring the wonder to your party, whatever the event. Everything is done for you, leaving you to relax, unwind and enjoy a completely stress free Christmas.
